### CPP Plastic Pallets

CABKA meets the high standards for ISO 9001:2000. Our certified quality management encompasses not only product manufacturing, but customer service as well. In addition, CPP plastic pallets are regularly tested in accordance with relevant elements of the standard ISO 8611. All this guarantees that our quality products

meet the demands of the market and our customers.

CABKA products are manufactured in North America, Germany, Spain and Israel, giving our customers, wherever they are, a crucial advantage to choose the shortest, fastest and cheapest route for getting product to market.

CABKA's wide range of plastic pallets provides solutions for a diverse array of applications. Through our development department, with our own tool designs and construction, we can meet even unusual requests from our customers. In every way, you profit from our decades of experience.
