 Individual marking*3
 Custom-made color (only virgin material)*3

*1 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (68°F / 20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. *2 The pallet dimensions and weight are variable. *3 Minimum quantity required *4 Virgin PE material is also available, with equivalent load capacities and weight. - We reserve the right to change any of the stated information without prior notice.

- > Cost effective
- > Easy and save to handle
- > Reduced freight charge by self assembly of snap-on bottom skids, volume saving up to 65%
- > Resistant to insects, bacteria and fungi
- > Conforms to ISPM 15 regulation
- > Environmentally friendly product of 100% recycled plastic, completely recyclable

The perimetric bottom deck with 5 skids enables ideal footing in block stacking and eases access with pallet jack.

CPP Plastic Pallets

CABKA meets the high standards for ISO 9001:2000. Our certified quality management encompasses not only product manufacturing, but customer service as well. In addition, CPP plastic pallets are regularly tested in accordance with relevant elements of the standard ISO 8611. All this guarantees that our quality products

meet the demands of the market and our customers.

CABKA products are manufactured in North America, Germany and Spain, giving our customers, wherever they are, a crucial advantage to choose the shortest, fastest and cheapest route for getting product to market.

CABKA's wide range of plastic pallets provides solutions for a diverse array of applications. Through our development department, with our own tool designs and construction, we can meet even unusual requests from our customers. In every way, you profit from our decades of experience.
